All Trust academies use CCTV systems to ensure the safety and security of all students, staff and visitors. No audio is recorded and all footage is stored for up to eight weeks until it is automatically overwritten or deleted. CCTV cameras are sited to ensure that only public or common areas within the Trust sites are recorded. The cameras are positioned so that no members of the public are inadvertently recorded. Camera footage is only available to selected personnel at each Trust site. Occasionally, camera footage may be shared with the Police to assist where a criminal activity has taken place.

You will be made aware that this is happening and the context in which the photograph will be used. Photographs may also be taken of those attending events which may appear in newspapers, social media and marketing materials.

- the arrangements in place to store and handle the data

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
